

SPONSORSHIP OPPORTUNITIES

4th WORLD TEAK CONFERENCE

Accra, Ghana

24-27 August 2020

Global Teak Market : Challenges and Opportunities
for Emerging Markets and Developing Economies

4th WORLD TEAK CONFERENCE

WHY WORLD TEAK CONFERENCE

Teak is one of the most valuable tropical hardwoods of the world. Considering the prominent position of teak in international timber trade, World Teak Conferences (WTC) are organized regularly as a platform for stakeholder interactions, developing business networks and sharing new ideas. Previous WTC's were held in Asia and Latin America. It is for the first time that the WTC will be held in Africa and Ghana will have the honour of hosting the WTC in 2020.

HIGHLIGHTS

Scientific sessions on

- Smallholder teak plantation, value addition and livelihood enhancement of rural communities
- Cost-benefit analysis on teak investments and promoting responsible trade & markets of teakwood
- Tree improvement, genetics, silviculture and stand management
- Management models for community forestry and family farming
- Environmental protection, biodiversity conservation and Forest Landscape Restoration
- ITTO Teak Session: Sustainable Teak Management for Mekong sub-region (Dedicated teak session convened by the International Tropical Timber Organisation, Japan).
- FORNESSA Session : Building Productive and Resilient Forest Landscapes in Africa (Convened by Forestry Research Network of Sub-Saharan Africa)
 - Panel discussion to pick your topics of interest
 - Research Networking
 - Stakeholder interactions
 - B2B meetings for business development

TEAKNET celebrates Silver Jubilee in 2020!!

TEAKNET is celebrating its Silver Jubilee year in 2020 and this coincides with the organisation of the 4th World Teak Conference in Ghana. Established in 1995 by the FAO of the United Nations Regional Office for Asia Pacific, TEAKNET has grown to a world- wide hub for information on teak. Currently its Secretariat is hosted by the Kerala Forest Research Institute, Peechi, India. Over the years, international conferences organised by TEAKNET have become widely sought after events for networking and developing new business opportunities.
